DARK BEFORE DAWN.  
one feels lost,  
apace from reality.  
shadows--  
the only constant thing.  
and doubt haunts  
mind fades into darkness  
searches for answers  
amidst realms of  
uncertainty.  
  
one foot steps out,  
hesitant,  
into the darkness  
unsure of its ground.  
against the black  
comes the gray.

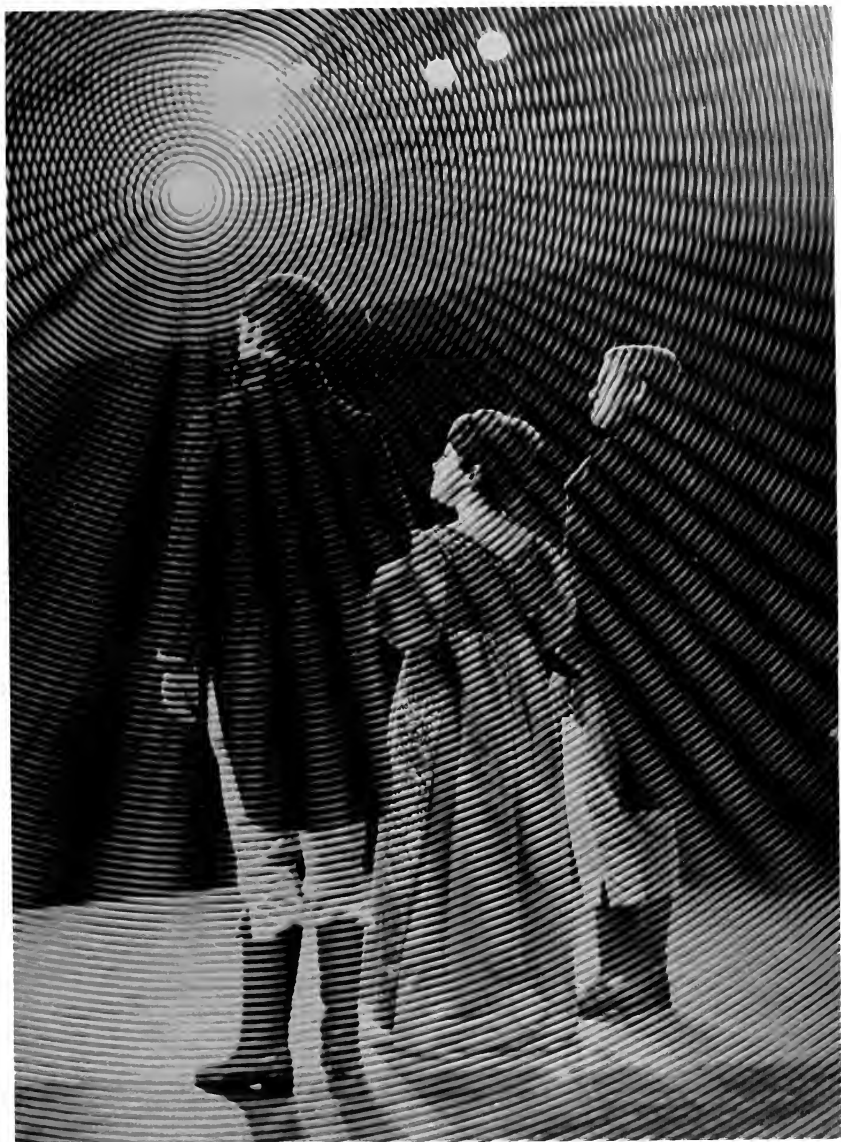

there is a wall, a door  
 but the vision is not yet clear  
 foot withdraws,  
 deeper in shadow  
 and trembling--  
 comes forth anew  
 again the wall  
 the door cracks revealing  
 dusky light  
 foot moves forward once more.

the first few steps done,  
 foot moves on  
 yet faster still  
 gaining confidence  
 as solid ground is felt  
 doubt begins to waver--  
 in danger of usurption.  
 faint flickers gradually  
 dispels darkness  
 subtly, til foot  
 finds  
 light.

and a clear path--  
free and open  
waiting to be traveled.  
each step furthers  
illumination.  
understanding grows.

Oh we're the girls of Pi K T and sisters we are proud to be. Katie, Pi K T's and Elon's No. 1 girl, Joan has the new "fall" look. And, Ursula's on the "Rhoads" to happiness. Chris, our bundle of energy full of cheer... and song. As a librarian, Carol does a "fine" job. Let DeHart put you in the driver's seat. Hope Sarah's new ring doesn't "chip." O'Berry won't tarry to marry Perry. Janet, our poet of "Luv." Only Nelda's hairdresser knows for sure. Pat has her own "John" Juan! To Pam, Raleigh's a haven because Raleigh's a Vaden. Cleo, our Treasurer has come up "Short." Someone has our Timman's heart, isn't that right, Candy? Susie got a "bill" she didn't mind getting. And, Linda Hundley, you with your 39-21-46... Jan quit catting around and got a ring from Tom. Yorktown makes Sue "harder" to keep in touch. Susan "Boom Boom" Cannon looks at married life as being "georgious." Our warden of Elon's misses, Linda Abney. Karen's always on Lover's "Lane." Betsy, our most "gifted" sitter. No one likes rain but everyone likes Sprinkle. Patty, the Pi K T Rice Krispie with snap, crackle, pop! And Juanita, a Rose is a Rose is a Rose... Got a sweet tooth—Baby Ruth? Brenda, who uses the bathroom as her laboratory! The smile that melts the hearts of many belongs to Vickie... O! The Kappa Tau bunch, is the truest and the best; and they keep things going and they never take a rest. They have one yell and they yell it altogether. And it goes like this "KAPPA TAU FOREVER".

I told you not to kill that dragon!

Delta Upsilon Kappa! Real womanhood, thoughtful and good — A year of much happiness and many accomplishments.

Beginning our parade of DUK beauties is feature twirler—Sandy, who is also Sigma Phi Beta's sweetheart. Sandy has top "BILLING" in our book!! ... DUK's Homecoming representative and second runner-up in the Spring Week-end Pageant, has a sparkle on her finger to match the sparkle in her eyes, right Janet? ... Marie, who has several names including Mother Marie and Big Mama, will some day land a secret agent or is your real secret agent Bob! WOP!! ... Janice, a fantastic sister, certainly has quite a way with RICKS! Also, snap-beans are Janice's favorite vegetable — Remember the banquet, Janice? ... Will you ever get your Jaguar in working condition, Mary Ann? — And by the way, how did John enjoy his royal Christmas gift? ... Decisions! Decisions! Will it be the boy in the "Rally Car" or that certain guy at N. C. State, who will capture Charlotte's affections? ... Guess who was the life of the party at Spring Banquet, remember, Vickie? Did you happen to get soaked with a bucket of cold water? ... Edit, our treasurer, keeps our money and Mike straight. She's known for suddenly developing car trouble for no reason at all! ... Our performer of great bass solos during HELL - Leslie - can be found in her room almost anytime writing a letter to Bernie ... P.E., a great gal and a barrel of fun, is constantly shorting anybody for a "Hardes Huskee" and a "Coke"! Keep that bottle handy, P.E!! "Shut In Sue" commonly called "Cupcake" has been "shut in" this year due to radio connections. It seems that "D. K." the "D. J." is No. 1 on her top music survey, isn't that so, "Cup"? ...

Last, but most definitely not least, is our President, Betty Jo, for the second "straight" year. There was a "Spark" in B. J.'s life, but then as the story goes, he had to go on the BIGGER and better thing—his grandmother, right, B. J.!! ... Shall we ever stand as the epitome of true sisterhood—Forever!!

Trial, trial! And the hated cry rings out through Naese House causing the sinister grin to emerge on Old's face until he realizes that trial is for him and as usual, he can't find the exit quick enough. Oh well, such are the troubles of our astronaut in training. Rumor has it that Beck finally got the training wheels off his Mercedes yet still is unable to drive safely in Greensboro, while Lawson on the otherhand can't keep his hands off his hot wheels—he says it's a real challenge. Corbiere, our little "eagle", has had to switch to loafers as he can't figure out how to buckle his oxfords. McConnell, Lambda's "operator"—has his hands full working a full day from nine-a to nine-a. Butcher, or the "Hawk", was put in charge of House duties and truthfully said he'd keep his eye on it! Henry "The Hobbit", is seen frequently at the pumps with his "great white way" while Pennington is seen hardly at all. Hub, with his great sweet tooth changed with "Snickers" to "Baby Ruthies" but still manages to be "Butter-fingers" most of the time. Rice, on the other hand, dropped his cookies at the beach and as a result got Sandy Newtons. Lane is still trying to control his mirth and now plans to hand out towels and earplugs when he laughs. Hemphill the proverbial "Old German", can usually be seen at Club 1121 with Belts on his fingers, humming a few bars of that sleazy old favorite "Marianne My Marianne, and the typical worried look on his face. As usual the whole scene is sickening and subsequently makes "Scarscrow" berf. Gaskins, the Auxiliary Hair of Sigma Mu plans to finally open up his Restaurant and hire Flash and Larrabee as "Head" waiter and "Pot" washer. Owen, the "Oh-Wa-Tah-Ea", is given the slip, among other things at Charlotte yet still manages to keep abreast of the situation on the "Grass" at the Speedway! Miller is cited for service above and beyond the call of duty by the Red Cross for his quick "Bloodmobile" service. Dixon is up to his hips in it as usual, while Remy sees how many hops it takes to break a bad. Caviness, the Greensboro Cowboy, plans to pull the wool over all the eyes he can and put Deloach out of business. Kirwin, the "Bwana", is clocked at 60 M.P.H. between Alamance and the Union by Pinky.

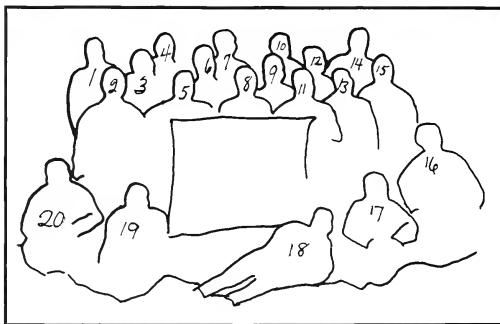

Are you sure this will cure my toothache, Socrates?

Is a crip the best you can do?

... "and the walls came tumbling down" ... Kappa Psi Nu started out the year with only one strike against them—no house. And then came Homecoming—strike two! But everybody knows a fraternity can not function well without a charter ... and then the question came—"To be, or not to be, Whether 'tis noble to bear the slings and arrows of outrageous fortune, and take arms against a sea of troubles ...? Cox House is at it again! "Tibel" and Sigmon are in a close race for the Common Sense Award. Mike says Blake is a real "crab." How long will Rat keep "Smilin'?" Glad to see that Ricky got out of the dorm. Is Clark really a midget? Crazy Wade is still alive and kickin'. Does Mensch really want to be a V.W. salesman? Bruce ate too much "turkey" over Thanksgiving. Daddy Glenn is home to stay! Larry, Emily, Sue and Judy would make a perfect foursome. Is Bob V. really a schizophrenic or does he just show his real self on the weekends; when he's not at the cabin. "Twiggy" Helms still owes Darryl a clean white sheet. Does Hippy Joe really have a pair of bell-bottoms made out of a bedspread? Marty's hard luck never seems to end . . . or is Margy only playing hard to get. Chalk up another lavalier. Pete gave up "Fred the Black Monster," for Preparation H and a hot bath. Are Darryl and Connie really Siamese twins? Hughes had fun fixing hot dogs for Helms. All Kazi wants for Christmas is a new front tooth and a free trip to Hillsboro. "Duna" and Judy are only pen pals. During initiation Gredy walked more on his knees than he did on his feet. Does sneaky Wayne have more fun with Shelby or Deborah? Smitty is hairy but Janice doesn't mind. Warren — How does it feel to rob the cradle? "Bull" has a different colored pair of shoes for each football game, but he doesn't get to wear them out. There's much more than can be said about the brothers of Sigma Phi, but ———!

Well, we did it again, made it through another year without losing our charter... one of the deans is still blowing hot wind... but what's hot wind? The ITK's did do something this year—1st place in the nice sunny homecoming parade, 2nd place in the goal post decorations which had so many entries, and a wonderful Christmas party for the orphans. As we cross the campus and come upon the nice fraternity house that the deans and administration have given us we find Mike Spilane packing his gags for the last time and getting ready to head for the island. Mac found another Nancy this year but is about to join the all time losers club with Bond. Big Roy has finally settled down for the third time and has given up his rose buds. Coffee has finally found his cream, and makes the parties a little nicer when she's there. We hope Vicky doesn't turn a corner fast or else we'll lose our hippy. "Big

Dick" Lilley is still hanging loose... say something "Big Dick!" Dean Thompson finally panicked... he got engaged. "The Vulture" (Peebles) is still swooping over to Bety's. By the way, wonder when Brady's chicken is going to lay an egg. Bond and his .357 have just finished gunning down the rest of the campus and has plans for declaring all out war... on everything and everybody. Santa Clause Chuck is planning on flying from now on since driving gets too hairy. If it wasn't for Craig's roommate, Craig might be able to get a date. Ray still hasn't learned to let his guest know when his parents are going to drop in, and Freddy finally got a date he could measure up to... how about it Terry? Nobody can seem to find Art on Monday nights... he must be watching "It takes a thief." Hey! Has anybody seen Fredricko? And last but not least, a CAT does have 9 lives.

Left: All-American Richard McGeorge snags another one. Richard was later the first round draft choice of the Green Bay Packers.

The Elon College football team led by tri-captains Richard McGeorge, Jim Waller, and Sanford Reveley, brought the Carolinas Conference football championship home this year on the strength of a 7-3 season. The Fighting Christians, under the guidance of head coach and Athletic Director, Shirley "Red" Wilson, captured the title for the first time since 1964. The crown was gained as a result of a 5-0 conference record, climaxed by a rousing victory over annual title contender Lenoir-Rhyne, 29-0. Outstanding individuals included the record-setting passing duo of Jimmy Arrington and Richard McGeorge, and the kicking specialist, Grover Helsley. McGeorge set records for the most touchdowns scored and the most touchdown passes caught; Arrington set records for best completion percentage and most touchdown passes thrown; Helsley completed the record shattering year by kicking the most field goals and the most extra points in a season. Congratulations to the coaches and the entire squad — it was truly a NUMBER ONE year.

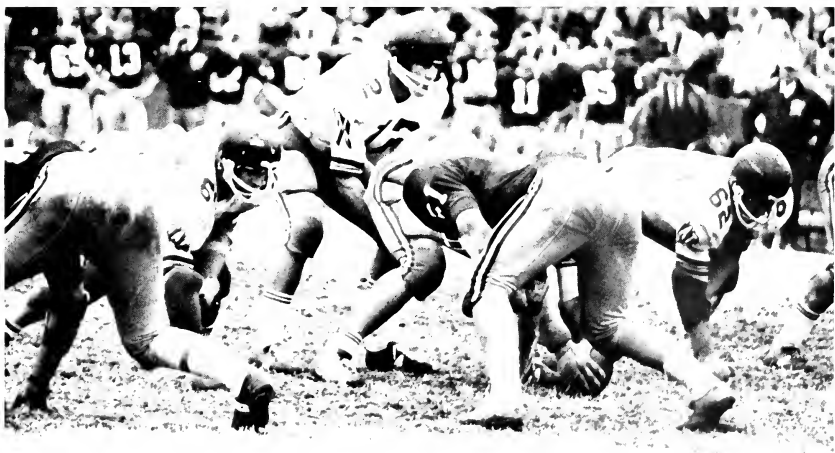

An answered prayer: another touchdown by Emory Moore.

As usual it was a long, painful, gratifying season.

The cagers of Elon College wound up a very successful season with a second-place Carolinas Conference finish as a result of a 21-9 record. The Christians, under the leadership of Coach Bill Miller and his assistant Twig Wiggins, began the season by winning the Thanksgiving Turkey Classic here on our home court. The round-ballers then proceeded to caputre the UNC-Wilmington Holiday Tournament in beginning a five-game winning streak. Tommy Cole, Tom McGee, and Noble Marshall then carried the team to a second place

seeding in the Carolinas Conference Tournament in Winston-Salem. Here the Christians lost in the finals but gained a berth in the District 26 NAIA District Tournament. The Fighting Christians put on a brilliant display in losing to A&T State University of Greensboro and beating UNC-Charlotte for a third place finish. Elon can be proud of their basketball team and look forward to next season, which will be marked by the return of All-Conference Tommy Cole and promising freshman center Larry Trautwein.

## Baseball

Elon's Baseball team, after completing a rebuilding year, should be a contender for the conference championship in the Spring of 1970.

Elon distinguished itself nationally by leading all small colleges in stolen bases percentage and by defeating nationally ranked Pfeiffer. Outstanding individuals were Joe Rinaca who was named most valuable player and Dewy Capps who received honorable mention All Conference.

## track

1969 brought Elon its first undefeated track team. Record setters included: the mile relay team composed of Joe Freve, John Austin, Phil Cook, and Bruce McFerren, who compiled a time of 3 minutes 32.4 seconds; Ronald Bolton with a leap of 43' 5" in the triple jump; a vault of 12' 9½" by Rex Davis in the pole vault and a heave of 184' 5" in the Javilin by Jerry Younger. The Cindermen are looking forward to another record breaking season.

Orientation provided the usual headaches.

Students expressed themselves by painting Holly Hill Mall.

Physically, the 1969-70 year provided great changes.

The library was not only the scene of intellectual encounters, but also social ones.

Faculty and students joined in songs for peace.

# moratorium

The October 15 War Moratorium produced varied reactions on the Elon College campus. The Moratorium schedule included a silent vigil, speeches by several faculty members and students, a march through Burlington and concluded with an evening memorial service. The temporary suspension of Professor Michael Smith because of his failure to conduct classes during Moratorium activities aroused national attention and produced a petition which numerous students signed who supported Professor Smith. Professor Smith, who agreed to meet his classes for the remainder of the year, was later reinstated following a meeting of the Board of Trustees and Dr. Danieley.

The general effect of the Moratorium on the Elon campus was wide spread although participation was limited to a minority.

Students held a rally in support of Professor Michael Smith's actions during Moratorium.

Professor Michael Smith was the key-note speaker during the Moratorium rally.

## LIBERAL ARTS FORUM

The Liberal Arts Forum, under the sponsorship of Professor James P. Elder, is a committee composed primarily of students aimed at stimulating an academic atmosphere within the college.

This fall the Forum, in conjunction with the Department of English, sponsored a Shakespearean festival, featuring outstanding cinematic productions and a lecture by Dr. Clifford P. Lyons of Chapel Hill. Also, during the winter semester, the Forum sponsored a W. C. Fields film festival, presenting several of his most celebrated productions.

Of primary concern this year has been the tightening of S. G. A. funds. Having had its monies reduced by fifty percent, the Forum has been unable to present the quality of lectures that it has in the past. Defended as the last ray of hope in a predominately non-academic atmosphere, it entered into many debates with S.G.A. officials who desired its demise, and was granted a token budget of five thousand dollars by the same.

Despite this and other setbacks, the Forum presented its fifth annual symposium, "Studies in the Humanities: Elon College, 1970," during the week of April 19-25.

Above: Professors Barnett, Baxter, and Hester at an afternoon reception. Right: Prof. Hubert Heffner of Indiana University was a guest speaker during forum week.

An exciting and intriguing performance of the Peloponesian Wars was presented in dance by Daniel Nagrin.

# phi psi cli award MRS. emma Lewis

In recognition and appreciation of an individual's service to Elon, the *Phi Psi Cli* editors and staff have set aside this page. The award is made in tribute to one who has made an exceptional effort in promoting understanding, goodwill, and knowledge, while working under many difficulties, in the true Christian spirit, in furthering the goals of Elon College.

Fighting the pressure of deadlines and the cacophony of machines, the friendly lady in the Duplicating Office always takes time to chat, to listen to one's problems. Mrs. Emma Lewis has given 12 years of service to the students and faculty of Elon College. It would take a super-adding machine to total the number of tests and memos she has produced—not to mention the concern and friendship.

# outstanding professor jack o. white

The honor of "Most Outstanding Professor" at Elon College for 1969-70 was awarded to Professor Jack O. White of the Fine Arts Department. This is one of the highest honors presented at Elon. Professor White, a vigorous educator, has received much praise for his musical abilities. Even students who have little interest in the fine arts are motivated by "Jack O's" unique teaching methods. Professor White's creative and exciting football halftime shows have indeed become a necessary part of Elon's fall atmosphere. Nothing on the printed page can fully capture this man's zest for life, so we can only add our congratulations and thanks.

Pride in product and Company on the part of management and employees working together in a sense of friendly cooperation, combined with the interest and support of the people in the community has been the key to our growth. This has brought us from the role of distributor in 1925, manufacturer in 1937 with only one plant and one product, to the position of being one of the world's largest hosiery producers in 1968. Today we make hosiery and related products for men, women, and children under world famous brand names. Our plants are located in the cities shown on the map. We are pleased to bring you this story of progress, because it started in this area.

## SLATER SCHOOL AND COLLEGE SERVICES

# editor's note

This yearbook has been a reflection in experience—our experience of Elon College. It has been our goal to present a reflection of this year. But it is only a reflection—with only as much reality as you bring to it. It is our hope that as you view this book, now and in the future, you will pause and reflect on the trivial things that once seemed so important, and on the important things that have molded your life. It is also our hope that you will see and feel Elon College 1970 as only you, having lived it in youth, can.

The college is by no means perfect, and we have not attempted to present it as such. However, we must all strive for understanding and mutual cooperation, for without it this college cannot survive. Objective learning must be the primary goal of such an institution as Elon. But, not the simple learning of facts. Buildings, professors, students, and money do not make a college; they are worthless unless guided by that spark which causes a man to seek Truth, Goodness, and Beauty in life, those things beyond the material, not for reward, but for his own fulfillment within his own sacred individuality.

Finally, it is our hope that you will leave Elon with more than a few faded memories and stored away facts—but with a set of principles, of the highest nature, for directing your life towards the goal you seek.

## reflections

a day gone by--

a dawn brightened into  
reflections of full day  
faded once more  
into dark.

BUT the night ?  
 only partial shadow now--  
 dark diminished to  
 minute proportion  
 BY reflection of  
 past day's experience.

now. . .

foot moves in shadow  
near quiet dawn  
breaking into mist of day.

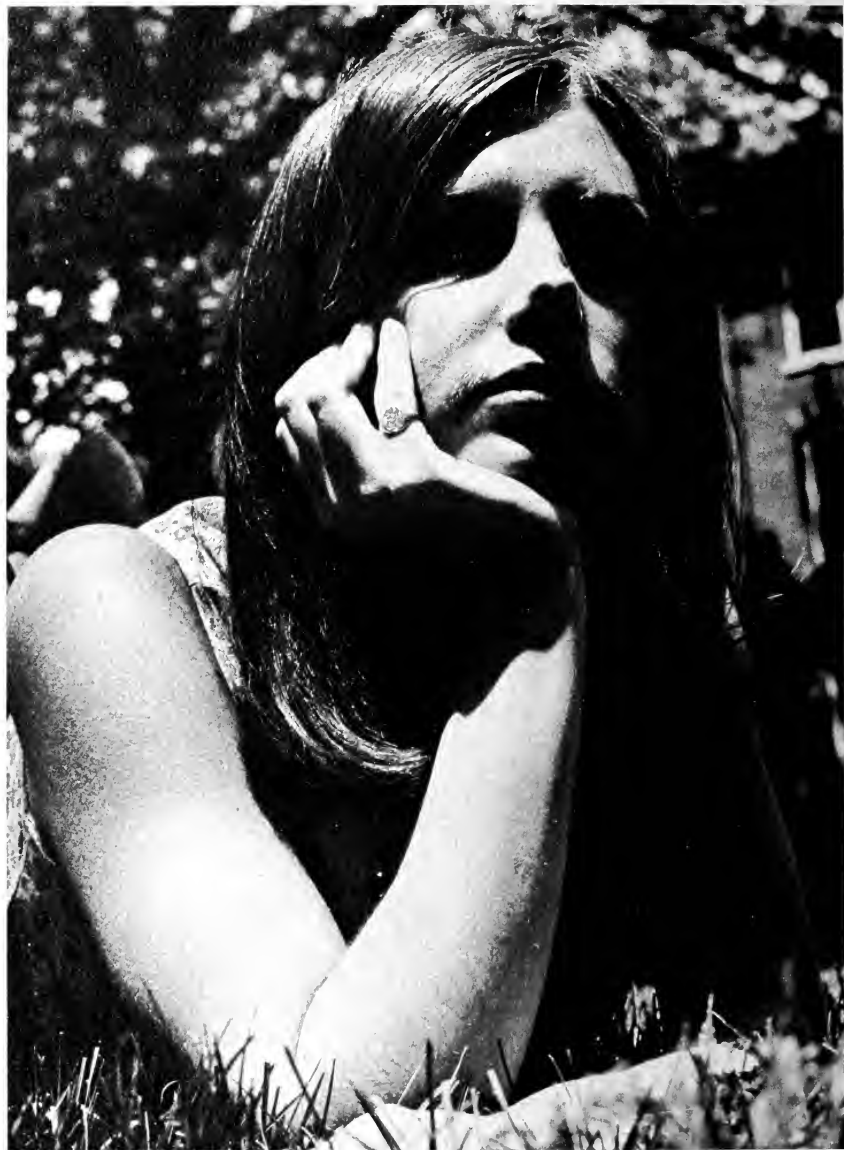

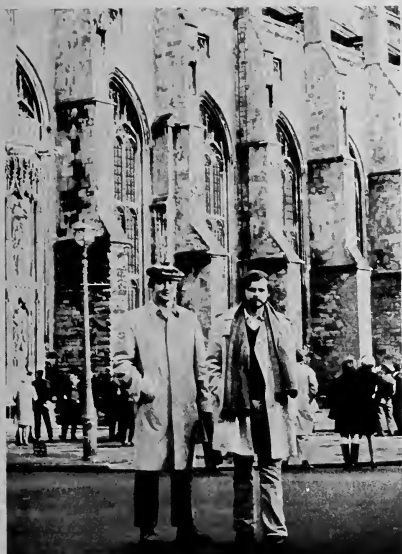

yesterday's  
understanding,  
foundation for  
illuminating  
new day.

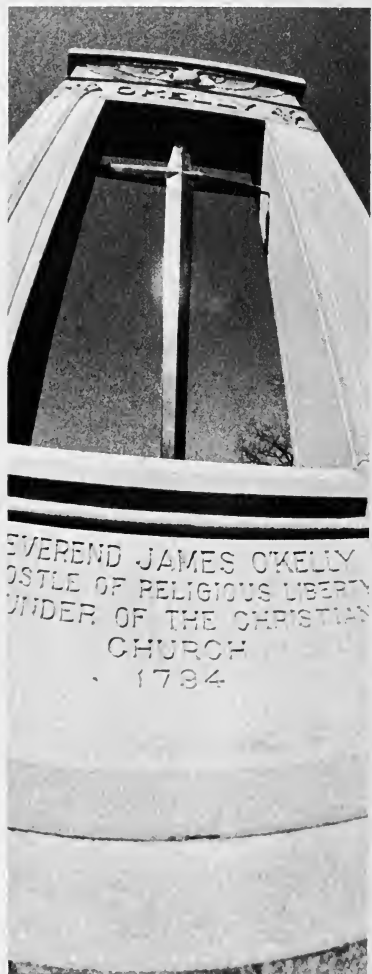

one door closed behind  
another open--  
new paths emerge.

foot hesitates  
a moment only in  
reflection. . .

and then. . .

walks once more into the dawn.

a charge. . .

Let then our first act every morning be to make  
the following resolve for the day:

I shall not fear anyone on earth.

I shall fear only God.

I shall not bear ill will toward anyone.

I shall conquer untruth by truth.

And in resisting untruth I shall put up with  
all suffering.
